GREGORY'S SEEDS

ESTABLISHED 1856

1949 Special Prices for Everyone

We pay postage or freight, our option.

10% cash discount on cash order placed in January.

GREGORY'S GUARANTEE

1. That all seeds shall reach our customers in good condition.
2. We guarantee the vitality and purity of our seeds to the full amount of the purchase price. Your money back within one year if you are not satisfied with results.
3. It is agreed that in no case shall J. J. H. Gregory & Son be liable for more than purchase price of the seed.
We make no charge for cloth bags.

Our business was started in 1856 and this ninety-third year we take pleasure in presenting our Special Prices to Everyone for consideration. We appreciate your patronage. It's our desire to work with you on a close, friendly basis for many years furnishing seed that will give you the best garden in your locality. You will receive vegetables of the highest quality from Gregory's seed. Where it is possible every family should plant a garden. What you cannot use green put up in glass jars for winter. European demands are bound to cause shortages. Protect yourselves against higher prices for vegetables in 1949 which are bound to continue.

Please notice on orders received in January when cash accompanies orders we will allow a cash discount of 10 percent. Also we deliver to all parts of the country at these prices and make no charge for cloth bags. Special offer: *As long as our supply lasts.* If your order amounts to \$2.00 or more made up of pkts., ounces, and $\frac{1}{4}$ pounds, we will include two pamphlets free, The Vegetable Gardener's Handbook and The A B C of Canning. Both are up to date, well illustrated. Place orders in January to obtain discount and pamphlets. No seeds better than Gregory's. It only takes a small piece of ground to produce enough to keep a family a good part of the year.

Yours for a prosperous season,

J. J. H. GREGORY & SON,
EDGAR GREGORY, Prop.

VEGETABLE SEED

LAWN SEED (Highest Quality)

Superfine for Sunny Spots, lb. \$1.30; 5 lbs. \$6.00
Superfine for Shady Spots, lb. \$1.40; 5 lbs. \$6.75

It's a good idea to scatter lawn seed over your lawn each spring. Usually there are bare spots that can be renewed by this method. Lawns need plant food every year.

TIMOTHY

Lb. 45c; 15 lbs. \$4.50; 45 lbs. \$12.00
